

## myBackCheck.com

Alberta Transportation has engaged the services of myBackCheck.com, a provider of a revolutionary service designed to provide Canadians with a simple, streamlined and secure method of obtaining a Criminal Record Check. Harnessing proprietary state-of-the-art technology, myBackCheck.com provides Canadians the opportunity to take control of their own personal information and complete Criminal Record Checks from the comfort of their own home/office in a matter of minutes.

To complete your Criminal Record Check requirements as part of your Commercial Vehicle Inspection Program (CVIP) licensing application process please go to: [www.backcheck.net/transgovablicense](http://www.backcheck.net/transgovablicense)

If you would like to see a demo of the application process, please visit: <http://www.backcheck.net/mybackcheck/candidatedemo/>

The cost is \$29.50 plus GST payable on line by credit card.

The results of your Criminal Record Check will be sent automatically to Alberta Transportation and also to your myBackCheck.com account within eight business hours of you completing the Criminal Record Check process on line.

Please print a copy of the Criminal Record Check result we send you and include it in a separate envelope with your name on it with the rest of your CVIP paper work you will be submitting to Alberta Transportation.

You can also in the future go into your myBackCheck.com account and share the results of your Criminal Record Check with another organization or business by letting us know on line where you would like the results to go to, at no extra cost to you. To view a video on how to share your results, please visit: [www.backcheck.net/mybackcheck/shareresults](http://www.backcheck.net/mybackcheck/shareresults)

For technical support you may reach myBackCheck at 1-866-455-6699.

If you are unable to complete the online process, or for assistance or information on the alternative paper-based method. please call BackCheck toll free at 1-866-866-7139.

# Each filter raises **different** flags. You never really know which type of flag may be in a given candidate's background.

**RELIABLE. SECURE. UNBIASED.**

## A Complete BackCheck™ includes:

% Red Flagged by BackCheck

### Criminal Record Check

- The same CPIC database used by Police.
- Protect your employees, customers and shareholders.
- Fully compliant with Privacy, Human Rights and Freedom of Information legislation.
- 24 hours or less.

6%

### Identity Cross-Check

- Over time, credit bureaus collect name, address, employment and alias information about candidates. Cross-reference this data with details provided by candidates on BackCheck consent forms.
- Reveal more criminal histories by inserting aliases into the criminal record search. 24 hours or less.

15%

### Employment Verifications

- Verify dates of employment, position held, and reason(s) for leaving directly from payroll and Human Resources records.
- All information obtained is cross-referenced with the candidate's resumé claims.
- We know how, when, and who to contact for timely results.

30%

### Education Verification

- Verify the candidate's highest level of education directly with listed institutions.
- Is the candidate honest?
- We know how, when and who to contact for timely results.

10%

### Reference Interviews

- Eliminate the chance of 'phone tag' with professional reference interviewers available during extended business hours.
- As a third party, we objectively conduct references without the bias from having observed the candidate's personality during an interview.
- Consistent, auditable, high quality process.

20%

### Credit Bureau Inquiry

- Reveal financial pressures - "Desperate people may do desperate things".
- Poor payment history or collections may indicate irresponsibility.
- Uncover banking violations, such as feeding empty envelopes into an ATM. 24 hours or less.

24%

% Red Flagged by BackCheck

### Cross-Referencing & Analysis

A Complete BackCheck is worth more than the sum of its individual services. Our trained professionals analyze and cross-reference each document, looking for inconsistencies, exaggerations and other red flags.
